Basso S

A streamlined chair with remarkable sitting comfort, Basso is a distinguished family of meeting chairs. Basso creates discreet reliability and even playful ambiance particularly in meeting rooms. It has a lumbar support embedded in the streamlined profile. Basso M, L and XL are available with a 4-star cross leg (X or Y) with optional swiveling mechanism or a 5-star cross leg with wheels and gaslift (ZXL or YXL). Optional armrests (B or C).

Basso S is a stackable side chair that completes the Basso range of meeting chairs. Optional row connection and writing tablet. Also available with a 5-star crossleg with wheels (Z) or a 4-star cross leg (Y without wheels and Y+ with wheels) for meeting applications.
