inno

Basso SH is a compact, multifunctional chair with a clean and understated design and great sitting comfort. It features an ingeniously simple, stacking tubular steel frame that is highly durable yet lightweight. It's an excellent choice not only for meeting and conference rooms, but also for multifunctional working spaces. The steel frame structure is proven to be strong and durable (tested ISO7173:1989, level 5).

Basso is a family of chairs with discreet and unified look for meeting, conference, visitor and working spaces. The Basso seat is available in four sizes: S, M, L & XL. The seat can be combined with a selection of bases and armrests.
