

AURA CHAIR L

Design: Mikko Laakkonen

Aura chair L is the newest member of the award-winning Aura family. With its higher back, the sympathetic lounge chair fits naturally together with the Aura sofa. Mix the sofa and the chairs together to form harmonious and cozy Aura groups or use the products separately. The chair can also be used as a side chair. Due to its high back the tempting Aura works also as a divider. The disclosed structure gives Aura a characteristic identity. Aura was awarded the red dot, best of the best 2013 design award for its elaborate and innovative design. For information about standard materials visit www.inno.fi
