Intro chair is a versatile and lightweight wooden armchair equally suited for restaurants, hotels or domestic dining settings. It is compact and stackable with excellent ergonomics. With a simple and direct form, Intro chair's design roots back into the unpretentious heritage of Nordic design tradition. The detailing of the chair is honest and clean-cut, but also elegantly executed. Options available:

B1 - without upholstery

B2 - upholstered seat

B3 - upholstered seat + upholstered backrest.

Additional components: Row connector, row connector with electric units, writing tablet (330x200), trolley for 12 chairs. 7 chairs can be stacked on the floor.

Height: 770mm

Seat height: 450mm

Width: 550mm

Depth: 460mm

DESIGNER

Ari Kanerva

Ari Kanerva is an internationally established designer based in Turku, Finland. His main focus is on furniture and product design. His studio also assists companies with product development. Each of his design is characterized by a careful research of items intended use and ergonomics. His style is minimalistic and very refined but always unique. Visual balance and thoughtful little details are key features in his designs.
