

Taivu Meeting ZDL

Mikko Laakkonen

inno

Taivu Meeting ZDL designed by Mikko Laakkonen is a swivel chair with graceful contours and excellent comfort. The seat-shell follows the body movement providing a dynamic and ergonomic sitting experience, based on a small tilt movement (7° backward and 4° forward). Height adjustable 5-star cross leg is available with castors or gliders. The seat and armrests are upholstered completely in fabric or leather. Taivu Meeting ZDL chair is easily tailored to fit a wide range of interiors, such as board rooms and executive conference spaces.

Taivu product family includes Taivu easy chair width 870 mm, Taivu Compact lounge chair width 670 mm and Taivu Meeting swivel chair with cross-legs YDL or ZDL. All members of the Taivu product family complement each other and may be used in the same premises for different purposes.

Height: 890mm
Seat height: 450-540mm
Width: 670mm
Depth: 680mm
