

Naku Bar Stool

Harri Korhonen

inno

Naku bar stools are made of solid wood, featuring an undressed, honest form that highlights fine craftsmanship. Designed for both residential and public spaces, the stools combine durability with a light and timeless expression. Available in two seat heights, 650 mm and 750 mm, they suit a variety of counters, kitchen islands, and bar settings.

An upholstered seat option is available for added comfort, making the stool suitable for extended use at home, in offices, restaurants, and hospitality environments. The carefully balanced proportions and solid wood construction ensure stability while maintaining a refined, minimal appearance.
