Lab XL Metal Sofa

Harri Korhonen

Lab XL Metal Sofa is a fresh evolution of our uniquely comfortable Lab XL Sofa, now introduced as a spacious 3-seater while retaining its generously padded seat and distinctive proportions. The clean-lined metal frame gives the sofa a lighter, more contemporary character and adds durability for high-use environments. It's the perfect sofa for modern lobbies, lounges, offices, and hotels seeking both comfort and a more architectural expression.

The Lab family includes a wide range of chairs, tables, and sofas designed to bring comfort and coziness into everyday working environments.
